- 118 Repair Projects Completed
- 13 Current Repair Projects
- 184 Cases Currently in Case Management

How can you help?

Hurricane Recovery efforts are still ongoing. Over 180 people still need assistance following Hurricane Florence in 2018, and even Hurricane Matthew in 2016, and new intakes continue to come in

How can you help to make a difference?

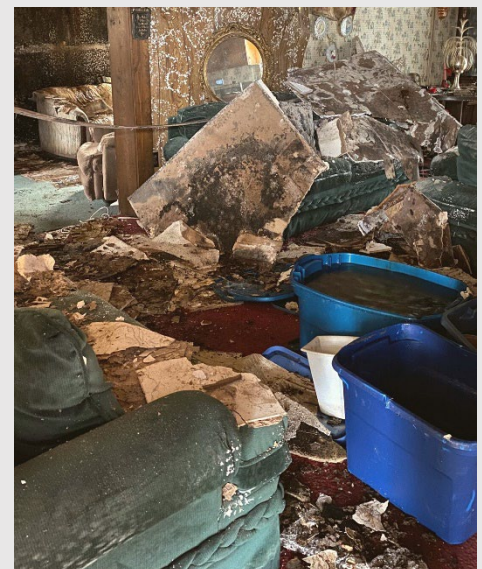

- **Tour:** Call to schedule a facility tour and see how we strive to change lives
- **Volunteer as an individual:** Volunteer opportunities are available for all skill levels and capabilities. Office or construction, we've got something for you!
- **Volunteer as a Group:** Youth groups, Mission Teams, Employer Work Days. Our schedule is flexible--We can make our schedule work for 1 day or 1 week; 1 time, or 12 times a year!
- **Share:** Share this flyer in the community to raise awareness that assistance is still needed and that it is still available to those who need it!
- **Donate:** Every donation we receive goes directly into our efforts and operations as we continue rebuilding lives and restoring hope. We can not stop our efforts until every eligible storm survivor has a home that is safe, sanitary, and secure. Call 252-571-2976 or visit www.CravenDRA.org for more information or to donate.
- **Volunteer Support:** Out of town volunteers stay at New Hope Volunteer Village throughout the year to help recovery efforts. Support them by providing a meal for their team! Contact Kristy at 252-571-5663 for more information.
